Hey, do you love me? I'm untouchable darkness  
A dirty black river to get you through this  
Hey, do you love me? I'm a devil machine  
(Hey do you love me? I'm a devil machine)  
Get into my world, all American dream

In the mouth of madness  
Down in the darkness  
No more tomorrow  
Down in the hollow

Hey do you love it when the kids are screaming?  
Wrecking on the road violate their dreaming  
Hey, do you love to see the filth in the clean, yeah?  
(Hey do you love to see the filth in the clean, yeah?)  
Get into the gone all American dream

In the mouth of madness  
Down in the darkness  
No more tomorrow  
Down in the hollow

I'm demon speeding

I'm demon speeding  
I'm demon speeding  
I'm demon speeding

Get it on, get it on  
Get it on, get it on, come alive

Hey, do you love me elevating the madness?  
(Hey, do you love me elevating the madness?)  
A super death rising to get you through this  
(A super death rising to get you through this)  
Hey, do you love me like a beautiful fiend, yeah?  
(Hey, do you love me like a beautiful fiend, yeah?)  
Get into my world all American dream

In the mouth of madness  
Down in the darkness  
No more tomorrow

Down in the hollow

I'm demon speeding

I'm demon speeding

I'm demon speeding

I'm demon speeding
