Conquest heat master
Skin crack move faster
Doomwatch got open eyes
Perversion never lies

Disaster blaster
Disaster blaster

Creature of destruction
Laughing dead corruption
Challenge to survive
Love butcher alive

Disaster blaster
Disaster blaster

Take a journey into fear
Demon warp invasion
Thunder wheels rolling
Crush 1000 faces

Sworn to fun and loyal to none

When the beast is clever
The best it ain't over
Walk alone on borrowed time
And kiss tomorrow goodbye

Sworn to fun and loyal to none
Lost inside a human zoo
Edge of life wants you
Got a grip on the wire
But my brain don't get no higher

Disaster blaster
Disaster blaster

Leather skin move to the beat
Beastman insulated heat
Looking for a sleeping dream
Hop-head body scream

In the morning
Ready to learn
What's happening
And who's gonna burn

Get on your feet
Time to die
On the floor
Machines don't die

Stealing the world
Walking away
Poison mind
Everyday
