Too weak to run defacer eraser too weak to run, hey
my friend now monkey boy chief remember by name
and cut this groove deep oh deep in the wind a misery
wind a misery wind take it over and expl
O the now is a freedom a fool's passion love loud but
wa it-eighty-eight now where did it all begin push to the
point of a danger love where did it all begin you got
more than you deserve waterwalker a spirithunter hunt
until kingdom come who goes--freedom a junk
messiah--sparkle mankind--hey girl, burn now gat her
round crew and picture this now gather round crew and
get behind the wheel of a big white cadillac a true
zombi scavenger is a joy digging through your
paradise now is a freedom a fool's passion bend the
steeple and teach it to dance in a black blue o asis time
to sing medicine man sing like a medicine man
