Everything is boring now!

You got too much food  
And too much wine  
Too many assholes, trying to feel fine, yeah  
Too much God  
And too much beer  
And too many heads, sellin the fear, yeah

Too much blood  
And too much war  
And too many babies for the T.V. whore, yeah

Everything is nice and clean  
Everything's a teenage dream  
Everything is crashing down  
Everything is boring now

Get it on, done  
Get it on, done  
Get it done  
Get it on, done  
Get it on, done  
Ain't it fun  
Get it on, done  
Get it on, done  
Get it done  
Get it on, done  
Get it on, done  
Ain't it fun

You got too much hair  
And too much skin  
Too many losers chasing the wind, yeah  
Nothing changes  
Just who you please  
Perfect faces, and perfect feet, yeah

Too much love  
And too much hate  
And too many fools, that just can't wait

Everything is nice and clean  
Everything's a teenage dream  
Everything is crashing down  
Everything is boring now

Get it on, done  
Get it on, done  
Get it done  
Get it on, done  
Get it on, done  
Ain't it fun  
Get it on, done  
Get it on, done  
Get it done  
Get it on, done  
Get it on, done  
Ain't it fun

Yeah, mushroom clouds  
Electric chairs  
Fifteen minutes, and no-one cares, yeah

Too much soft  
And too much gas  
And too much death, making all that cash

Get it on, done  
Get it on, done  
Get it done  
Get it on, done  
Get it on, done  
Ain't it fun  
Get it on, done  
Get it on, done  
Get it done  
Get it on, done  
Get it on, done  
Ain't it fun

Everything is nice and clean  
(Get it on, done  
Get it on, done  
Get it done)  
Everything's a teenage dream  
(Get it on, done  
Get it on, done  
Ain't it fun)  
Everything is crashing down  
(Get it on, done  
Get it on, done

Get it done)  
Everything is boring now
