Yeah, I am the super-eye
A blackened dream a golden eye
Trapped in a fantasy
A silent clown, a villain see

Mongrels of pinball filth
Electric shrines to bogey tilt
Dying is to get her way
Get it, she want it

Yeah, she's on fire
That girl's on fire
Burn me up, burn me up
She's on fire
That girl's on fire
Burn me up, burn me up

Yeah, get going under ground
A raven hood a blanket sound
Till thee and aggravate
A ravaging, a frozen slate

Time square in outer space
I kick the move right in your face
Satanic fantasies
Get it, she want it

She's on fire
That girl's on fire
Burn me up, burn me up
She's on fire
That girl's on fire
Burn me up, burn me up

He is a mega man
An electric spark a desperate man
Track down to run away
Live to kill another day

Mongrels of pinball filth
Electric shrines to bogey tilt
Dying is to get her way

Get it, she want it

Yeah, she's on fire
That girl's on fire
Burn me up, burn me up
She's on fire
That girl's on fire
Burn me up, burn me up

Yeah, she's on fire
That girl's on fire
Burn me up, burn me up
She's on fire
That girl's on fire
Burn me up, burn me up
