She got a corpse  
Under her bed  
She had her fun  
But now he's dead  
Her momma said  
Come feed desire  
Her brother said  
Hey, throw her on the fire

This is the house  
Come on in  
This is the house  
Built on sin  
This is the house  
Nobody lives  
This is the house  
You get what you give

I cut the flesh  
And make it bleed  
Fresh skin  
Is what I need  
I let it dry  
Out in the wood  
All your crying  
Did no good, yeah

This is the house  
Come on in  
This is the house  
Built on sin  
This is the house  
Nobody lives  
This is the house  
You get what you give

Now you're lying  
On the floor  
Yeah, you can't  
Take anymore  
The devil's laughing  
In your face

Give me another taste, yeah

This is the house

Come on in

This is the house

Built on sin

This is the house

Nobody lives

This is the house

You get what you give
