What is the purpose?
Demonoid phenomenon
Regulate the flux and reflux
So bring it on
Loose upon the world
Destruct like a juggernaut
Give it to me

Suddenly the rats are high
Bleed the masses watch them cry
Slumber like Houdini's dog
Die alone out in the fog

Iron head
Iron head
Iron head
Crucify you
Iron head
Regenerate
Iron head
Exterminate
Iron head
Liberate and crucify you

What is my name?
Demonoid phenomenon
Laugh in your face
And break in now move along
Vent up on the brink
Appear another demigod

Suddenly forever knows
What it takes and where it goes
Paint it black inside your head
I defy what you have said

Iron head
Iron head
Iron head
Crucify you
Iron head
Regenerate

Iron head
Exterminate
Iron head
Liberate and crucify you

Suddenly the rats are high
Bleed the masses, watch them cry
Slumber like Houdini's dog
Die alone out in the fog

Iron head
Iron head
Iron head
Crucify you
Iron head
Regenerate
Iron head
Exterminate
Iron head
Liberate and crucify you
