Kicking in the christ kiss crude as it is talk is cheap like
a local jezebel got her face wounds vigilante style
highwayman lick a shallow grave play harmonica
harmonica harmonica speaking horse
Singing horse - flesh find youngblood now is now! this
is the end hey my friend to take what you have given
your garden your eden now my eyes burn dry whithe
the usual who's who is this thing called life? fascination
slugpile neverband some fat ass pregnant bitch
dancing her pinhole jelly veins to some jungle bell
daddy sleeze looking for a stin king peice like it raw
and soft like it raw and soft a substitute oyster house
all you can stomach but who can eat at a time like... five
fingered apostle lose a slipping gun spin and turn a
tombstone blue feeling like a jesus clone in a solid
whorehouse we all play the game cause time is money
money wastes my time my time is dirt dirt is my
carnival now is now! psyched-out and mean mutilation
peace machine pussycat in trash make a real love
machine sitting like a ziegfie
Ld crow classic textbook case basket-head sidewalk
time has come again
