Mars needs women
Angry red women
Mars needs women
Angry red women

Can you hear it calling?
Hijack what you're wanting
A sweet ride, baby
With a broken face

Stop, look, dig it
If she wanna get it
Stop, look, dig it
All she can destroy

Mars needs women
Angry red women
Mars needs women
Angry red women

Mars needs women
Angry red women
Mars needs women
Angry red women

Not afraid to use it
Strip it and abuse it
A sweet ride, baby
Get me out of this place

Stop, look, dig it
If she wanna get it
Stop, look, dig it
All she can destroy

Stop, look, dig it
If she wanna get it
Stop, look, dig it
All she can destroy

Mars needs women
Angry red women

Mars needs women
Angry red women

Mars needs women
Angry red women
Mars needs women
Angry red women

New gods a-moving
Miracles a-losing
A cash in, baby
Just give it a taste

Stop, look, dig it
If she wanna get it
Stop, look, dig it
All she can destroy

Stop, look, dig it
If she wanna get it
Stop, look, dig it
All she can destroy

Mars needs women
Angry red women
Mars needs women
Walk in outer space

Mars needs women
Angry red women
Mars needs women
Walk in outer space
