Ze wheels o' fire. a doubleman defier. a motor and i.
regenerate I am. your final pompeii. o 'etched in acid.
like a shack of hate. love in the gut a downbeat ceasar.
mother's holly roller. the
lon-man. she a real. a real fuck invention. like
mississippi sway'n. persasion. atomic. eat it. atomic.
eat it. what is a man if not a he's a rebel rouser. yea
mechanized death. this is what you need. las vegas
loser. a fuck'n crazy horse. violent staisfaction
switching the body. to a s hack of hate. automation. the
skin buckles. this is what you need. a flesh surrender.
cruxifiction burns. sex mutilation a dead diamond. this
game is mine. atomic. eat it. atomic. eat it.
