Mechanized head and a God named Zed
I Keep telling you it's alright
A Parallax view that you can't unscrew
When it all just get's so tight

ROCK MOTHERf**KER
ROCK THE MOTHERf**KER
ROCK MOTHERf**KER YEAH

CHEW IT UP-SPIT IT OUT
SICK BUBBLE-GUM
BLOW IT UP-STICK IT OUT
SICK BUBBLE-GUM
TEAR IT UP-PUSH IT DOWN
SICK BUBBLE-GUM
SHOVE IT IN-RIP IT OUT
SICK BUBBLE-GUM

Remember the Coop when you hit the loop
A new God in Hollywood
Diamond daze and your locust plays
You wouldn't make it if you could
