Woven in the surface a premonition of a land erupting  
A sparkling occasion of a city crashdown! overhead  
Revolv'n in a whirlpool a drag-o-rama walk'n on the  
Sidewalk so let me see ya howl'n through the keyhole  
"god damn, swept away" she shouted - she love it - get  
In away yeah! i concentrate the midnight without the  
Benefit of ceremony - whoever said, "the one who  
strips  
Your soul is the one that got away" a weather-beaten  
Angel descending to embrace the cemetery - got love -  
so  
Mystifying "god damn, swept away" she shouted - she  
Love it - get in away yeah! she shouted - she love it -  
get  
In away - yeah! voodoo beat on  
The mind the digs too deep to find  
Something has got to give, man  
[psych-out] racketeer or star you  
Are just what you are, don't play  
The misty, baby! [get you] into a  
River sky electro nation cry "i need

Another, now" drift beyond the  
Sleeping the moon is shift'n  
Shadows on her figure - swamptime  
Locomotion "i can't take it,  
Anymore!" sunlight through the  
Shutters illuminating moment to  
The moment buzz a halo over "god  
Damn, swept away" she shouted -  
She love it - get in away - yeah -  
Planet pretty kill - motherfucker hang me on the  
Thrills - psychoholic slag tomorrow is another drag  
[yeah] picnic in the homeland - like a jesus super-star  
Yeah! kiss me deadly, baby [baby] i know who you are  
[come on] planet pretty kill - motherfucker hang me on  
The thrills yeah! no small heaven [haven] i got the left  
Hand of the keeper - meet me in st. louis "god" a one-  
Way ticket's cheaper yeah! time-travel i'm walk'n  
[walk'n] i got a white line zombie fever [fever] yeah!  
Time bomb the hero [hero] yeah get down!!
