I'm breathing to the dead  
With a billy club in my hand  
Jack the Ripper said  
What?

She married a monster  
On the very last day  
She turned around and said  
What?

I was a teenage  
A something or other  
With a church fireman  
What?

Vampire lovers in palm bikinis said  
On and on and on and on  
Cannibal man and the jungle girls say  
On and on and on and on

Let's go

A black cobweb  
A Fu Manchu  
They do not know what to do  
What?

I got a motel  
With the red eyes and  
I can hear you screaming  
What?

A pale hermaphrodite  
Losing his sense sometimes  
My God does not understand

Vampire lovers in palm bikinis said  
On and on and on and on  
Cannibal man and the jungle girls say  
On and on and on and on

A midnight owl brings

Permanent scabs  
I missed ol' rock and roll

Fate and cheerleaders  
Knives and pom poms  
Knives and pom poms

Rave on with me  
Rave on with me  
Rave on with me

Vampire lovers in palm bikinis said  
On and on and on and on  
Cannibal man and the jungle girls say  
On and on and on and on

Rave on with  
Rave on with  
Rave on with  
On and on

Rave on with  
Rave on with  
Rave on with  
On and on
