"Peel Away Velleity"

Feeling manifests itself today - you are a visitor inside
Your body
Pious passion sweep away - this undefined telepathy
Stealing breaths of consciousness, you are a visitor
Inside your body.
I have an ambiguous dream of you serene, surrounded
in a
Sunflower scene.

THIS WORLD PEEL AWAY LOVE
THIS PLACE PEEL AWAY SPACE
THIS TIME PEEL AWAY CHANCE
Feeling with manifest and it may arrest, you
Should not decline, though you may profess or attest.
However never define.
