Silkk the Shocker

It's bout to get serious, so I'm gonna get the world
bucked up

Big Ed and Mia X

Where my cowgirls at, here we go, where my cowboys
(x2)

Get on the dance floor

Unnhh (yea)

Silkk:

To my thugs(thugs), I say my cowboys(cowboys)grab
ya'll lassos and um(Mama
Mia)

All my cowgirls(cowgirls), saddle up, cause yo I'm bout
to ride it(ride it
with me)

I got somethin new(Big Ed) ride with us

Big Ed:

I got a new dance for ya

Silkk:

Big Ed tell em how it go

Big Ed:

It's called the rodeo

Put your right arm up, dip, and buck your hips

Put your left arm up, dip, and buck your hips(do it till
your saddles right)

Put your right arm up, dip, and buck your hips(come on,
bump your hips)

(Come on, buck your hips)

(Do it till your saddles right)

Put your right arm up, dip, and buck your hips
Put your left arm up, dip, and buck your hips(come on)
Saddle me up, come and ride this buckin bronco
Work it out baby, video for the peep show
Dosey doe at the Alamo
Twist your hips like a tornado, explode like a volcano
Bounce up and down like a po-go
Your love it got me fiennin like a nympho, hit ya with
the gusto
Erotic trust as we undergo orgasmic eruptions
Baskin in the after glow
I slam my boy like big 5 and domino
Screamin my name like old ladies screamin bingo!
I got ya shakin excess, climactic combos
She's tryin to be quit bittin the pillows
It seems it get wetter the farther in I go
You want me to go deeper? Cause baby I go plenty mo
You can pull my slot all night like a casino
So you can ride me baby, fast or slow

CHORUS:(x4)

Ride like a buckin bronco(ride it, ride it, come on come
on)

(Do you like that)

In the rodeo, a rodeo (ride it ride it, come on come on)

(Tell me do you like that)

Ride like a buckin bronco(ride it, ride it, come on come
on)

(I know you like that)

In the rodeo, a rodeo (ride it ride it, come on come on)

(Tell me do you like that)

Silkk:

Come on, come on, come on, come on

Grab the lasso, and let me rope them hips

Look I love them tryin take all of it, bittin your lip

Walked in dimonds shine look true that there

Everybody talkin bout look, who that there

Can't let a good thing pass me

Come on boo an get sassy

(Boy you nasty)

I know

Forget about your man, see if you can take this

I don't hate unless it be fake, time to bust, get rape an
switch(switch)

Flex the Lex, now I'm like sex in the Benz

Sex unstoppable is it possible to have sex and be
friends

So come and ride this bronco, buck and dip

Can you picture this skinny cowboy, between them hips

No limit soldier, so come and ride me baby

Hard to stop when I'm inside ya baby
Now it's the new sheriff in town, down and dirty
Tryin to get this chick to serve me, ya heard me?
Ride it

CHORUS:(X4)

Mia X:

Got your saddle on, now baby I'm a getty up
First I rock steady get it wetter then I buck
Having you screamin my name, (Mama Mia) sugar
walls top rankin
Keep a nigga peelin off the frequency be bankin, ah
Let her take a spankin when I ride it back, was fake you
out
Playa roll when you ain't shit like an actor
Mac the, wieldest niggas mama tie em down
Silkk scarfs, hand cuffs, ghetto rodeo style now
I can ride for miles, so daddy can you keep up
Gaurenteed to knock that ass out like you been beat up
Heat up, hotter than July, cause big girls don't cry
We take it all stride out, slides up and down
Bounces all around, works it twerks it
Buy Miss Pussy crown, I wears it
I swears it's gonna (for real) be a cold day in hell no
doubt
To ever say you want me out at the rodeo(uunhh)
