You swim like you're on fire
live like your last day
drink like its water
there's no tommorow
And you think no one can hear you
Raise your hands to be called on
you know all the answers
You're the most colorful thing that i've seen
You're the most colorful thing that i've seen
You're the most colorful thing that i've seen
You dance like no-one's watching
Sing 'til the song ends
then you sing some more
And we can hardly believe it
words that flow from your mouth,
Drink like its water
You're the most colourful thing that I've seen
You're the most beautiful thing that I've seen
You're the most colourful thing that I've seen
You are an enigma walking
make no excuses for the way that you carry on
and we can hardly believe it
words that flow from your mouth
Drink like its water girl
Drink like its water girl
Your the most colorful thing that i've seen
Your the most beautiful thing that i've seen
Your the most colorful thing that i've seen
No no no no no no
You are so colorful
and you are so beautiful
and you are the most beautiful thing that I've ever
seen.
