And fall in love so many reasons why

[Chorus: Amerie] (Cam'Ron)

Everything you do I wanna feel again, ain't no use for
us to pretend (Ok)

Why don't we, why don't we (Oh!) why don't we fall in
love
(Fall in love, I don't even know you, what's your name?)

[Verse 3: Cam'Ron] (Amerie)
Fall in love why cause you see the Florida plates?
Explorin the states, seven forty five a quarter to eight
Nah, not that Accord to the race
Enough malt liquor I'm cordial with grapes
You still get slaughtered and raped, camcorded and
taped
Come uptown see the dogs and the apes
All the nasty little heffers with sores on they face
We keep the base in the Ford's and the safe
But everything will pour into place, forget your tour and
your dates
Hit Greyhound with raw on your waist
Now your seemin leary, but your jeans are theory
Sweatsuit juciy ma your mean ya hear me
Wanna fall in love, well install the plug
Dope, I sold all them drugs
Hollows, cop killers, seen all those slugs
East, west, south, seen all those thugs
(Why don't we why don't we)
Just slow down a bit, hit the town and split
And dealin with Killa that mean you dealin with killers
My hooks are bananas the team is gorillas, holla!

[Outro: Cam'Ron]
Dipset, Killa Cam, Amerie, Taliban, R-O-C, get your boy
man
