Verse 1

I've found a girl
She's the one for me
She rocks my world
She's everything I need her to be
And that's why
I know
I've gotta open up, I've gotta let my feelings flow

Bridge

Everytime I'm near you then my heart goes crazy
Over you my baby
Got me going crazy
Everyday I'll keep you in my heart now baby
Only you can save me
From going crazy

Chorus

You give me love
Sweet love
Everytime I hold you girl,
Don't you know you rock my world
Love, Sweet Love
I just wanna make you smile if only for a little while

Verse 2

Everyday I wake
Every breath I take
Your in my mind
Your the special one make no mistake
And that's why
I know
You've gotta hold me tight gotta promise to never let
go

Bridge

Everytime I'm near you then my heart goes crazy
Over you my baby
Got me going crazy
Everyday I'll keep you in my heart now baby
Only you can save me
From going crazy

You give me love
Sweet love
Everytime I hold you girl,
Don't you know you rock my world
