What's the time
Christmas time
I love Christmas time
Look at that
Christmas tree
Shining brightly, oh
Peace on earth
Peace on earth

Who's the king
Lying down
Doesn't have a crown
He has come
To us poor
Simple, good and pure

Peace on earth
Peace on earth

Here's a gift
Wrapped up tight
Open up this bow tonight
Love for all
Not just a few
Another Christmas passing through
Peace on earth
Peace on earth
