since he's gone away
i'm a sad dog... lie around all day
no bowl of water for me
i'm asleep... let me be
train on the railroad track singing oo oo oo
as if i didn't know that he's never coming back

his warm and crazy love
that's what... i want some of
he sure did know... how to wag my tail
since he's been gone... i'm in dog jail
train on the railroad track singing oo oo oo
as if i didn't know that he's never coming back

where did he go?
stranger i don't know
hey where did he go?
he's gone away, gone away

summer turning into fall
things around here don't change much at all
dog days and doggie bones
these lonely hills are calling you home

where did he go?
tell him i'm in the yard
hey where did he go?
he's gone away, gone away
