Everyone is good

I would like to be a person who does not judge
Free to be me whatever that might be
I don't want to hold a position, don't want to hold a
grudge
'Cause it seems to be the cause of a lot of
misunderstanding
Heartbreak misery

Looking in your eyes, you're different from me
Why does it have to be that one of us is better
Can't we both be beautiful even if we don't agree
Like the flowers in the garden and the animals in the
wood
Each one with a purpose and each one is God

Everyone is good
Everyone is good

"Nobody's God", says, "Hate your neighbor"
Even if the neighbor doesn't believe in God
Put aside your religion, do your God a favor
And wouldn't it be something to be loving and kind
Forgive yourself for everything having once been blind

Everyone is good
Everyone is good

Good good, everyone, everyone is good
Good good, everyone, everyone is good
Good good, everyone, everyone is good
