(by Margaret A. Roche)

I'm losin' you

fading from view

aging and aching and raging and faking I'm

losin' you

losin' true

last time I saw you I wanted to paw you

not to destroy you now I just annoy you I'm

losin' to

accusin' you

when I first met you I failed to get you

now that I let you come through I forget who I'm

losin' out

cruisin' about

the night of shining armor doesn't do her any favors

make no mistake when mystiquing a make I'm

losin' you

choosin' to
