Hey ! Would you believe it
If I told you that
I know what it's like
from behind your eyes
A pile of broken pieces
That fell from your heart
Is gathered around you staring
And there's no escaping
But everything's changing
Under the sun
What's done is done

Don't give up
Don't give up
No matter how hard it seems
Hold on to your dreams
Don't give up
Whatever you do
(Remember) there's so much love
And there's so much still to come

Hey! Would you believe it
If I told you
I know how it feels
From where you stand
The days that you wasted
On tables that turned
You thought you might learn in time
Not to get burned
But everything changes
Under the sun
So run bay run

Don't give up
Don't give up
No matter how hard it seems
Hold on to your dreams
Don't give up
Whatever you do
Remember there's so much love
And there's so much still to come
It never gets done

It's run baby run
Yeah!

So, don't give up
So, don't give up
So, don't give up ...

Don't give up
No matter how hard it seems
Hold on to your dreams
Don't give up
Whatever you do
Remember there's so much love
And there's so much still to come

Don't give up
No matter how hard it seems
Hold on to your dreams
Don't give up
Whatever you do
Remember there's so much love
And there's so much still to come
Don't give up
Don't give up
Don't give up
