We're caught in a trap, I can't walk out  
Because I loved you too much baby.  
Why can't you see what you're doing to me  
When you don't believe a word I say ?

We can't go on together with suspicious minds  
And we can't build our dreams on suspicious minds.

So, if an old friend I know drops by to say hello  
Would I still see suspicion in your eyes ?  
Here we go again asking where I've been.  
You can't see these tears are real, I'm crying.

We can't go on together with suspicious minds  
And we can't build our dreams on suspicious minds.

Oh, let our love survive or dry the tears from your eyes.  
Let's don't let a good thing die, honey you know, I've  
never lied to you.

We're caught in a trap, I can't walk out  
Because I loved you too much baby.  
Why can't you see what you're doing to me  
When you don't believe a word I say ?
