Virtual Cowboys
Hes a virtual cowboy
Ridin for love
Hes been through sunsets before
And he's back for more
Shes a virtual cowgirl
Ridin on trust
Shes surfed down that highway before
And she finds it hard to reach the shore
Give me your love
Send me your soul
I will find it
Somewhere down the road
Give me your heart
Send me my dream
Ill be waiting
Hes a logical
It all should make sense
The key to his heart
Is linked to his head
Shes hopelessly hopeful
And helplessly heartfelt
She lives through the wire
Most every night
Alone in her bed
Give me your love
Send me your soul
I will find it
Somewhere down the road
Give me your heart
Send me my dream
Ill be waiting
You close your eyes
And you hold your breath
Give me your love
Send me your soul
I will find it
Somewhere down the road
Give me your love
Send me your soul
I will find it
Somewhere down the road

Give me your heart
Send me my dream
Ill be waiting
Waiting
Ill be waiting
Ill be waiting for you
Ill be waiting
Ill be waiting
Ill be waiting for you
