Lying in my bed
I can't believe what she said
When she said it was over now between us
Pack up your things
Don't forget those old guitar strings
So I walked out the door
And caught me a bus
Then I saw her today
I had to look away
She thought I was crazy
To still feel this way
Whose heart is it anyway
If I want to feel this way
I'm gonna cry the tears I cry
It's not as easy for me to say good-bye
Whose heart is it anyway
The years they go by
But some memories don't die
After all of this time
I still miss her so much
You may think I'm a fool
But some fires never cool

That's just one of those crazy things about love
Then I saw her today
I had to look away
She thinks that I'm crazy
To still feel this way
Whose heart is it anyway
If I want to feel this way
I'm gonna cry the tears I cry
It's not as easy for me to say good-bye
Whose heart is it anyway
If I wanna sit
And feel just a little lonely
Well it's my right you see
Cause you've done me wrong baby, baby
I'm gonna cry the tears I cry
It's not as easy for me to say good-bye
Whose heart is it
Whose heart is it
Whose heart is it anyway.
