"Wind And Tears"

I'm sitting here trying hard
To figure out
How, where, when they first met
Was it under the moon
Or near a campfire
Not getting close to soon

CHORUS:

Grandpa asked Grandma
For the last dance
Living a newborn romance
They've been together
For over 50 years
Against wind and against tears
Against wind ...
Through all the years

That they've been together
Through shine and rain
They stood tall
Giving all they could
To raise the family
The way I surely would
(CHORUS)

The years have gone by
And I stand here, so grateful
For all the love that I've seen
The gift of music
And there so many
I thank you both eternally
