Back in my old hometown  
They were long summer days  
And there were leaves on the ground  
And it was too cold to play

The city's colder then cold  
It's faceless and grey  
And all the dreams that you hold  
Keep slippin away

(Chorus)  
Slippin away, slippin away  
Little by little, and day by day  
Slippin away, slippin away  
Little by little, and day by day... yeah  
I feel them slippin away

Saw an old friend of mine  
Asked if he was ok  
He said everythings fine  
Then his eyes filled with pain

Yeah he had nothin to lose  
He had nothin to say  
He's feelin worn out and used and slippin away

(Chorus)  
Slippin away, slippin away  
Little by little, and day by day  
Slippin away, slippin away  
Little by little, and day by day.  
Day by day. yeah  
I feel them slippin away

(Guitar solo)

Better put up a fight  
Startin right here today  
Get some use out of life  
Before you just slip away

(Chorus)

Yeah Slippin away, slippin away

Little by little, and day by day

Slippin away, slippin away

Little by little, and day by day

Slippin away, slippin away

Little by little, and day by day

Slippin away, slippin away

Little by little, and day by day

Day by day yeah

I feel them slippin away

Oooohhh ohhhhhhhhhh
