"Been So Long"

Visit "[Been So Long](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Is it the place your in
Or the spaces you have been living in
Is it a state of mind
Or a feeling I can't find
Would you take me to the place where I belong
Could you take me home

It's been so long
Since I felt Since I've gone home
It's been so long
Since I felt Since I've gone home

Is it the person your with
Or the people your surrounded with
Is it a feeling inside
That you can't seem to define
Would you tell me if I am wrong
Could you take me home

It's been so long
Since I felt Since I've gone home
It's been so long
Since I felt Since I've gone home
