When these rivers run dry
Don't cry, don't cry
I'll be thirsty too

When things ain't right
Don't sigh, don't sigh,
We always get through

When the money runs tight
It's alright, alright
I'm rich in love with you

When tears run down your face
It's alright, I'll take care of you
Things change so fast, so fast
We gotta slow down
Breathe in! Breathe out!

When I was young we used to run
We used to laugh, we used to smile
We used to run wild!

Rivers run dry, the air runs tight, things change, we keep on chuggin' man

When the air runs tight, don't fight, don't fight
I'll be breathless too

Things change so fast, but we'll last
We'll last
We know what to do

When the day turns to night
We'll smile, we'll smile
A safe life to share with you

When I was young we used to run
We used to laugh, we used to smile

We used to run wild!

Rivers run dry, the air runs tight, things change, we keep on chuggin' man
