Time is never time at all  
You can never ever leave  
Without leaving a piece of youth

And our lives are forever changed  
We will never be the same  
The more you change the less you feel

Believe, believe in me, believe, believe  
That life can change that you're not stuck in vain  
We're not the same, we're different

Tonight, tonight, tonight  
So bright  
Tonight, tonight

And you know you're never sure  
But you're sure you could be right  
If you held yourself up to the light

And the embers never fade  
In your city by the lake  
The place where you were born

Believe, believe in me, believe, believe  
In the resolute urgency of now  
And if you believe there's not a chance

Tonight, tonight, tonight  
So bright  
Tonight, tonight

We'll crucify the insincere tonight  
(Tonight)  
We'll make things right, we'll feel it all tonight  
(Tonight)

We'll find a way to offer up the night  
(Tonight)  
The indescribable moments of your life  
(Tonight)

The impossible is possible tonight  
(Tonight)  
Believe in me as I believe in you

Tonight, tonight, tonight  
Tonight, tonight
