Got a lot shit for me to prove I'm the nicest
Dynamite sticks in ur ass, but no hype shit
ME, I FREESTYLE BETTER THAN WHEN U WRITE SHIT
Dog I'mma kill you, you might get your Mike Vic'd
IT DOESN'T MATTER RACE, I'mma half white PRICK
But UR GIRL APPRECIATES THE TAN COMPLEXION OF MY
DICK
U BETTER CALL A PSYCHIC, CAN I GET A MIC CHECK?
U AINT A RAPPER CAUSE U WRITE RHYMES ON UR
SIDEKICK
I'm A TRUE RAPPER... DRESS LIKE A DON DAPPER
U FULL OF SHIT LIKE U WERE INVENTED BY JOHN
CRAPPER
I'LL SLAP YA... FUCK IT... IF HE DIES, HE DIES
IF HE doesn't THEN I BET THAT HE BARELY SURVIVED
HIP HOP IS REVIVED, CAUSE OF ME... THE BLOCKS LIVE
SO U BETTER TAKE THE BACKSTREET, BOYS, LIKE
FAGGOT GUYS
I paid for the supersize so I ain't sharin my fries
But ur a fruitcake, so take the apple pies
AND I'll decide to shoot you, ur flow is so doo doo
U'll be the first fag that ain't die from AIDS on
Mcdougal
Or take you to bowery and beat u down hourly
UR JUST TWO PUSSY... LIKE TIA/TAMARA MOWRY
Rappin this phat, it's hard to burn a calorie
Old school terminology, I dare you try to battle me
If u know me, I'm your favorite, even tho I ain't famous
I'm hot dogs from nathans, cookies from Amos'
So sick, I might even be on the plague list
I'll fuck ur bitch in the studio like Nick and Norah's
playlist
Record the whole thing... the shit'll be a moan track
You'll prolly SCREECH when u hear how we were both
PRO-ZAC'd
Sno dat... I'm a bowlegged nigga
Cocky cause that's how your legs on the bowl nigga
I spit rhymes tryin to fulfill my goals nigga
I'm bow-legged so I call my nuts my BOWLS nigga
I gotta gift, something everyone should kno...
Cause presents always looks better with a bow

Juice beats gave me this beat... and it's off we go
Off with his head & takin tags off of toes
I've made friends enemies & friends off of foes
I meet a bitch, real quick, comes off her clothes
Yo...
They bitches say I'm cute... plus good at rap
So I turn their panty liners to a fuckin wet nap
Dead that... get back
Head lap... ex lax
In other words I get brains for the shit I drop on tracks
Can you fuckin do that?
