Guy Talking

Get on, get on nigga though
1991 and I heard somebody dropped then dropped the
bomb
Boyz II Men, ABC, BBD
Ayo, I don't think they understand yet
Brains, drop a little oochie coochie on them

(Chorus: repeat 4x)
Oochie coochie la la la
Oochie coochie

Ayo Brains, kick the first verse

(Verse 1)
Oochie coochie la la la
I am the Brains and I'm up to par
Quit actin brand new, I know ya fruity
Cause when ya walkin, ya shakin that booty
All the guys sayin your hard to get
You just don't know you haven't met the Brains yet
At the beginning yes my game is kickin
But at the end, it's the moves I'm stickin
Why don't you come come gimme that booty
So you can spend the whole night wit MC-B
I will caress you and rub you like a poochie
You gotta promise to gimme the oochie coochie
Come on and gimme that pretty body
Any kind of position you have to soothe me
Hand to hand, together you know we
We'll have fun, doin the oochie coochie

(Chorus: 4x)

Burn Shamrock, burn

(Verse 2: Shamrock & MC Brains)
Oochie coochie girls, big booms, hard rhymes
Shamrock is here to form a strike line
All they wanna do is just stab the wound
And after the pantie's, they'll be singin another tune

(MC Brains)

Rick, rockin the instrumentals non stop

(Shamrock)

Ohio ho's, he's the chief rocker

Motown bound, C-Town, he likes to mingle

Oochie coochie girls is the brains first single

(MC Brains)

Now a night wit the Brains is quite simple

I like a girl wit a big smile, and dimple

I take you out cause I'ma lover and a mack daddy

Then I'll rub the kitty-kat under the table, see

I got ya horny, so now i'll take you to my home

And in the back of my mind I know it's time to bone

I got you too my pad, so now you wanna play

But then again you I had to say

Why don't you come gimme that booty

So you can spend the whole night wit MC B

I will caress you and rub you like a butt cheek

You gotta a problem so gimme the oochie coochie

Come on and gimme that pretty body

In a conversation, you'll have to sue me

Hand to hand, together you know we

We'll have fun, doin the oochie coochie

(Chorus: 4x)

Ayo Brains, you talked all that shit, now gimme some names

(Verse 3)

Lisa, Kim, Angela, Monique

Them are some freaks wit the big bazeeks

Pam, LaShawn, Theresa, and Judy

Those are the girls wit the ghetto bootys

Tracy, Keisha, and even (??)

Those are the girls who like to ride the rodeo

Tina, Bawn, and Dawn, and Reek

Those are the girls who wanna get a piece of me

I need the punan, the punan, the punnai

I need the punan, the punan, the punnai

I need the punan, the punan, the punnai

I need the punan, the punan, the punnai

MC Brains Talking

Yo this goes out to all the oochie coochie girls

Livin in the oochie coochie world

Remember to stay on that pill

Because I didn't hurt you baby, but the next man will

(Chorus plays over guy talking)
Yeah, hahaha, MC Brains ya know
Yo hold up though, what's goin on wit the oochie
coochie
Booties don't do me
Biv entertainment, the super producer Rico in the
house
And we outta hear, hahaa, peace
