Youchi Ohkura and Eichiki Yazawa, English lyric Ralph McCarthy)

* Come see my funky monkey baby
He got a thing for you
Since you went away
My monkey been so blue
** Come pet my funky monkey baby
And make him dance again
Like old times
Don't you remember when
We used to make banana cream pie
Every night he couldn't get enough
But now he ain't got no appetite no no no!
Come see my funky monkey baby
Give him a little squeeze
I hate to see him cry
He's like a part of me
Nobody plays with him anymore wo oh oh
He doesn't even know what
He's still hanging around here for no no no!
* ** Repeat
Don't you remember when
