Shouchi Tanabe and Hiroshi Kamayatsu, English lyric  
(Ralph McCarthy)

No no no no boy  
No no no no boy...  
Let me be with you tonight  
Yeah yeah yeah yeah baby  
Play some music, dim the lights  
Girl I think you're ready  
No no no no boy  
I don't know if your love is real  
No no no no boy  
It ain't cool to be so cold  
Listen to me baby  
I believe in rock'n roll  
Love is what you make of it  
No no no no boy  
I'm not gonna fall for that line  
No no no no boy  
\* Sometimes a guy can't win  
And no is no I know, I know  
But here I am again  
Knocking at her door  
"No, no boy  
Let's wait... a little bit  
Till the moment's right  
Then you'll feel it  
So will I"  
No no no no boy  
I don't know if your love is real  
No no no no boy  
\* Repeat  
Yeah and I'll be back again  
Knocking at her door  
I just can't help myself  
No no no no boy
