Do-do-do do-do-do-doodoo-do-do-do-doooo-do do

I'm packed and I'm holding, I'm smiling,
She's living, she's golden, she lives for me
She says she lives for me
Ovation, her own motivation
She comes round and she goes down on me
And I make her smile like a drug for you
Do ever what you want to do
Coming over you
Keep on smiling what we go through
One stop to the rhythm that divides you

And I speak to you like the chorus to the verse
Chop another line like a coda with a curse
And I come on like a freak show takes the stage
We give them the games we play, she said

I want something else
To get me through this
Semi-charmed kind of life, baby, baby
I want something else, I'm not listening when you say
Good-bye.....

Do-do-do do-do-do-doodoo-do-do-do-doooo-do do

The sky was gold, it was rose
I was taking sips of it through my nose
And I wish it could get back there
Some place back there
Smiling in the pictures you would take
Doing crystal meth will lift you up until you break
It won't stop, I won't come down
I keep stock with a tick-tock rhythm and a bump for the
drop
And then I bumped up, I took the hit that I was given
Then I bumped again, Said I bumped again,
and said
How do I get back there
To the place where I fell asleep inside you?
How do I get myself back to the place
where you said

I want something else
To get me through this
Semi-charmed kind of life, baby, baby
I want something else, I'm not listening when you say
Good-bye.....

I believe in the sand beneath my toes
The beach gives a feeling; an earthy feeling
I believe in the faith that grows
And the four right chords can make me cry
When I'm with you I feel like I could die
And that would be all right, all right

I want something else, to get me through this... Life
Baby, I want something else, not listening when you
say
Goodbye... (bye bye bye)
Goodbye... (bye bye bye)
Goodbye... (bye bye bye)
Goodbye.....

The sky was gold, it was rose
I was taking sips of it through my nose
And I wish it could get back there
Some place back there
To the place we use too.....

Do-do-do do-do-do-doodoo-do-do-do-doooo-do do

I want something else...
