Show Me the Way
Thanks to Annie for submitting the lyrics
I want you....
Show me the way
I want you...
Show me the way
I want you...
Show me the way, every day,
I want you, every day
I wonder how your feelin'
There's screaming in my ears
And no one to relate to
'cept the seas
Who can I believe in?
I'm kneeling on the floor
There has to be a force
Who do I call?
The stars are out shining
But all I really wanna know
I want you...
Show me the way
I want you...
Show me the way, every day
I want you, every day
Well I can't see no reason
You're living on your nerves
When someone, drops the cup
And I submerge
I'm swimming in a circle
I feel like going down
There has to be a force
To play my heart
And someone thought of healing
But all I really wanna know
I want you...
Show me the way
I want you...
Show me the way, every day
I want you..., every day
And I wonder if I'm dreaming
I feel so unashamed

I can't believe this is happening, to me
I want you when your sleepin'
And I wanna take your love
I want you...
Show me the way
I want you...
Show me the way, every day
I want you..., every day
