So many nights I lye awake
Waiting for you
I long in my bed
I long to be holding you

Where could you be my sweet
You never tell me a thing
We used to have it all, my baby
But now we have nothing

Waiting, oh waiting
Just for you
My heart's anticipating
Why did you leave me, baby
My heart is aching

Don't know what I got to do
To keep our love with me
I try and try cause I know
Our love is destiny

Oh baby please don't leave
I just can't live without you
Come on give us another try
And fate will see us through

Waiting, oh waiting
Just for you
My heart's anticipating
Why did you leave me, baby
My heart is aching

Waiting, oh waiting
Just for you
My heart's anticipating
Why did you leave me, baby
My heart is breaking

Waiting, oh waiting
Just for you
My heart's anticipating

Why did you leave me, baby
My heart is aching

Waiting, oh waiting
Just for you
My heart's anticipating
Why did you leave me, baby
My heart is breaking
