Love is blind
But now I see
And you know what
Somebody's going to do
What you did to me

You took my heart
Threw it against the wall
And I sat here alone
Staring at the phone boy
You don't call

Who do you think you're fooling?
Love ain't a game to be played
My heart is empty
But the promises you made

But now I'm getting stronger
And I don't need you any longer

It'll take time baby
Wait and see
Somebody's going to do
What you did to me
It'll take time baby
Wait and see
Somebody's going to do
What you did to me

You think you're smart
Playing me all this time
Like the game that you played
In the bed that we laid
Will haunt you in sweet time

Do you tell her all your stories?
Do you sell her all your lies?
Just like you told me
Right before you said goodbye

But now I'm getting stronger

And I don't need you any longer

It'll take time baby

Wait and see

Somebody's going to do

What you did to me

It'll take time baby

Wait and see

Somebody's going to do

What you did to me
