Would you take good care of everything
Will you keep wearing your wedding ring when I'm
gone

And when I'm gone, will you take down all the
photographs
Where we spent our warm and tender laughs
When i'm gone

Chorus:

Will you miss me
In the night
Will your arms reach out to hold me tight
Will your keep me in your dreams?
In your heart?
In your life?
Sometimes I wanna run to you
Like lovers do
When love is new
Just for a moment be close to you
Pretending i'm still holding you.
And even when I'm far away
In dreams we'll stay
And someday
After we've all chased our fantasies
Love will bring you back to me

When i'm gone
I'll be thinking 'bout you constantly
'cause you're locked inside my memory
From now on

And I know
That we said we needed time apart
Would your love keep pulling at my heart
But it's strong

Chorus:

Will you miss me
In the night
Will your arms reach out to hold me tight

Will you keep me in your dreams?
In your heart?
In your life?
Sometimes I wanna run to you
Like lovers do
When love is new
Just for a moment be close to you
Pretending i'm still holding you.
And even when I'm far away
In dreams we'll stay
And someday
After we've all chased our fantasies
Love will bring you back to me
