

## Rockapella "Where Would We Be?"

Visit "[Where Would We Be?](#)" on MotoLyrics.com

You've given me honesty  
Given me all that you can be  
Given me everything that a man could want anymore  
You've given me sweet sweet smiles  
Given me miles and miles  
Of a love that can't be found anymore  
It's something that most won't understand  
Something that you had always planned  
A world of worlds that you can call your own  
(Chorus)  
Where would we be  
If it wasn't for you by my side?  
Where would we be  
If you couldn't have swallowed your pride?  
Oh tell me  
Where would we be if it wasn't with you  
And all of your lovin'?  
Tell me my love, where would we be?  
I've given you years of pain  
I've given you tears I can't explain  
I've given you endless nights where I hadn't even  
phoned  
I've given you empty dreams  
But you were the one who fixed the seams  
Of a broken heart that you could call your own  
(Chorus)  
Where would we be  
If it wasn't for you by my side?  
Where would we be  
If you couldn't have swallowed your pride?  
Oh tell me  
Where would we be if it wasn't with you  
And all of your lovin'?  
Tell me my love, where would we be,  
Where would we be?  
Tell me my love, where would we be?  
Ooooo  
I've realized now that I had so much more to give  
If there was time for me to go back and relive  
All the things that could have  
Should have been done  
Would all happy thoughts now

But our love lives on  
Cause you've shown me how  
(Reprise)  
Where would we be  
If it wasn't for you by my side?  
Where would we be  
If you couldn't have swallowed your pride?  
Oh tell me  
Where would we be if it wasn't with you  
And all of your I
