Right about now  
See dirty  
So I'm callin everybody on the phone that she knows  
Cause she ain't home so I'm worried  
Hoping that nothing is wrong  
Where my car keys  
I'm on the road doing 80 in a 55 zone  
Tryna find my baby  
Thinking, how did she get lost?  
Oh, I dunno where'd she go if anybody got any answers  
could you let me know  
Some strange is going on call 911 please could you tell  
them that my babys gone  
I'm lost without (her)  
I'm lost without (her)  
I'm lost without no1s seen her after the club  
I'm lost without (her)  
I'm lost without (her)  
I'm lost without no1s seen her after the club  
Hey!  
After the club after the club  
I'm lost without no1s seen her after the club

Somebody help me she's 5 6' thick lips  
And we twitch wen she walks with her hips  
And she drives all  
The boys crazy  
Tell me have you seen her?  
That's why I've gotta find  
So I'm gunna find my baby love  
Trust me I ain't giving up  
Telling you no matter what, what oh  
She's for me and I'm for her  
And oh, I dunno wer'd she go  
If anybodys got any answers could you let me know  
Some strange is going on call 911 please could you tell  
them my babys gone  
I'm lost without (her)  
I'm lost without (her)  
I'm lost without no1s seen her after the club  
I'm lost without (her)  
I'm lost without (her)

I'm lost without no1s seen her after the club  
Hey!  
After the club after the club  
I'm lost without no1s seen her after the club

I'm lost without (her)  
I'm lost without (her)  
I'm lost without no1s seen her after the club  
I'm lost without (her)  
I'm lost without (her)  
I'm lost without no1s seen her after the club
