Verse:

Let's not do that,  
Not right now,  
Oh yeah I feel you,  
but we should slow it down,  
I really like you  
but we're not in love  
let's start by chilling baby  
may be cuddle up,  
Whatever happened to getting to know you better?  
What's gone be the difference if we do it when we're  
older?

Chorus:

'Cause we don't need no loving,  
we don't need no touching,  
baby girl it's just me and you  
so why we gotta rush?  
believe me, I aint in no hurry  
listen to me baby girl  
we got all the time in the world, girl, girl, girl, girl (x2)  
so we aint gotta rush

Verse:

I'm not saying,  
I don't want to,  
but I'm just saying,  
why can't we take our time?  
there so many other things that we can do,  
so many ways to show how much I care for you  
Whatever happened to getting to know you better?  
What's gone be the difference if we do it when we're  
older?

Chorus:

'Cause we don't need no loving,  
we don't need no touching,  
baby girl it's just me and you  
so why we gotta rush?  
believe me, I aint in no hurry  
listen to me baby girl  
we got all the time in the world, girl, girl, girl, girl (x2)  
so we aint gotta rush

we aint gotta rush, we aint gotta we aint gotta rush (x3)  
we aint gotta rush, girl, girl, girl

Speaking:

You know real talk,  
we aint gotta rush babe,  
we got all the time in the world for that,  
let's talk  
can I know you?, can you know me?

Chorus:

'Cause we don't need no loving,  
we don't need no touching,  
baby girl it's just me and you  
so why we gotta rush?  
believe me, I aint in no hurry  
listen to me baby girl  
we got all the time in the world, girl, girl, girl, girl (x2)  
so we aint gotta rush
