all she, wanted was her father attention
instead of, she got is nothing but constant rejection
so she ran to the arm of the first man who showed her
love
with no understanding of whats shes searching for
and when the father leaves the child
and the mother cant say why
then the child starts to cry

she wants wants wants wants wants her daddy
needs needs needs needs needs her daddy
love love love love love her daddy
always
wants wants wants wants wants his daddy
needs needs needs needs needs his daddy
love love love love love his daddy
always

see all he ever wanted was a piece of time
his father left him right around edge of night
his mother couldnt help him, so he kept it inside
so you got lost in the struggle
when im getting himself involve in the hustle
then he starts to realize
his father never coming back into his live
and when the father leaves the child
and the mother cant say why
then the child starts to cry

she wants wants wants wants wants her daddy
needs needs needs needs needs her daddy
love love love love love her daddy
always
wants wants wants wants wants his daddy
needs needs needs needs needs his daddy
love love love love love his daddy
always

all of the father
stand up, if you love your child
all of the father

stand up, if you love your child

she wants wants wants wants wants her daddy
needs needs needs needs needs her daddy
love love love love love her daddy
always
wants wants wants wants wants his daddy
needs needs needs needs needs his daddy
love love love love love his daddy
always
