Cause before you I was lost
but now I am willing to pay the cost
so that I can have your heart
cause I knew right from the start
baby should I should I
fall in love with you
could I could I be the only one you chose
when I feel like am running my heart is skipping the
beat
I am really nervous girl only you do this to me
it's all that I wanted
see the day that I met you girl
it feels like the room is darker
you are my flash light
girl you will always be my guide
so I will never let you get away
Cause before you I was lost
but now I am willing to pay the cost
so that I can have your heart
cause I knew right from the start
my heart goes biddy biddy bop
my heart goes biddy biddy bop
my heart goes biddy biddy bop
my heart goes biddy biddy bop

do I do I look like the kind of man
that will lie to you
would I would I be the one to always tell the truth
when it feels like I am running
heart is skipping the beat
I am really nervous girl only you do this to me

it's all that I wanted
see the day that I met you girl
it feels like the room is darker
you are my flash light
girl you will always be my guide
so I will never let you get away
Cause before you I was lost
but now I am willing to pay the cost
so that I can have your heart
cause I knew right from the start

my heart goes bidy bidy bop
my heart goes bidy bidy bop
my heart goes bidy bidy bop
my heart goes bidy bidy bop

I can't control it
I can't explain it
I can't contain it
I need to let it out
I need to let it
I need to let it
oo

Cause before you I was lost
but now I am willing to pay the cost
so that I can have your heart
cause I knew right from the start
my heart goes bidy bidy bop
my heart goes bidy bidy bop
my heart goes bidy bidy bop
my heart goes bidy bidy bop
