Sound Like a very sad love song,
Sound Like a really sad love song,
Sound Like a very sad love song,
Or is it just me?...

Everything i own in the black bag,
I promise i'll be gone by the time it hits dinner,
My momma told me we wasn't gonna last,
I tried to hold on 'cause i never been a quitter...

I can't hold on,
No anymore without my hand,
'cause you and i both know you didn't stick to the plan,
So...

I've gotta let go,
I'm not holding on anymore,
'cause baby,
It doesn't feel right,
Something ain't right,
You never act right, So,
I've gotta let go,
I can't hold on anymore...

Although you did me wrong, i'm not sad,
I learn from my mistakes so it makes me a winner,
Want me back home baby,
My bad,
When it comes back around,
Oh, it really is a killer...

I can't hold on,
No anymore without my hand,
'cause you and i both know you didn't stick to the plan,
So...

I've gotta let go,
I'm not holding on anymore,
'cause baby,
It doesn't feel right,
Something ain't right,

You never act right, So,
I've gotta let go,
I can't hold on anymore...

I'm going to,
Have to apologize,
I'm going to have to let you fall down,
You took me for granted,
No more can i stand it,
It's been too many times,
Way too many times for me...

I've gotta let go,
I'm not holding on anymore,
'cause baby,
It doesn't feel right,
Something ain't right,
You never act right, So,
I've gotta let go,
I can't hold on anymore...
