Intro

This a little love story for all of the broken hearted (ha
(2x))

Say from you know, you've been broken hearted
I want to see your lighter in the air for all the broken
hearted and them
what them a say
right about now

Verse 1

Sleepless nights turning tossing blinded eyes
filled with tears thunder crashing through my window
if this is what it costs to make you stay
I cant afford it cant take the pain
cause loving you is not really worth it anyway

(Chorus)

I couldn't believe I cried you a river
I looked in the mirror and realized
The person I was once has totally changed
Into someone I hated and this is why
And you lied made me cry so many times
Although i gave you so many chances
Oh, you still crossed the line
Now I may been a fool before
But I'm not gonna be today (aye yay)
Cause if your love's gonna cost me this much
it's not a price I'm willing to pay

Verse 2

Sick in bed
I'm not eating cause of you
in my head, I don't like this feeling
my folks taught me about love
I wished they'd warned be bout breaking up
Maybe that would have made it easy
your on me!!!!

(Chorus)

Cause you hurt me and you lied
Made me cry so many times
Although I gave u so many chances
Oh, you still crossed the line
Now I may been a fool before
But I'm not gonna be today
Cause if your loves gonna cost me this much
its not a price I'm willing to pay(x2)
