When you left I asked myself
Why I didn't get to say goodbye
I looked to the sky and asked god why
Why these tears fall from my eyes
Is the world that cold, I don't know
They tell me to, but I can't let you go
Why am I only, the only that don't need
Show theseâ€¦so many things, even got me in this
game
So I owe everything to you, to you
Memories, of you and I, make me cry
Tears keep falling down on my pillow,
For my angel, cause I know you're â€¦
There's so many things I wish I could say to you
Before you ever went away
And now I'm sitting here .. missing you
More and more like every day so I'm singing this song,
this song
Trying to hold on
I'm singing this song, this song
Trying to hold on

I knew then what I know now
I would say I love you,
Every day and every time I gotta be around you
I know, that you
Are in a better place now, that you ever been before
But always hard for me, it's really hard for me
To live with the fact that now you're gone for me
And now a matter of fact, fact
You ain't never coming back
I want you to know that you forever have my love

Memories, of you and I, make you cry
And tears keep falling down on my pillow
For my angel, cause I know you're â€¦
There's so many things I wish I could say to you
Before you ever went away
And now I'm sitting here â€¦ missing you
More and more like every day so I'm singing this song,
this song
Trying to hold on

I'm singing this song, this song
Trying to hold on

You know how I feel now
â€¦ nobody knows, nobody knows, nobody knows the
pain
â€¦ for you, I need you
Right now, right now, right now, right now, whoa

Now I lay me down to sleep
Pray to lord my soul to keep
If I should die before I wake
Pray the lord my soul to take
Now I lay me down to sleep
Pray to lord my soul to keep
If I should die before I wake
Pray the lord my soul to take

There's so many things I wish I could say to you
Before you ever went away
And now I'm sitting here â€¦ missing you
More and more like every day so I'm singing this song,
this song
Trying to hold on
I'm singing this song, this song
Trying to hold on.
