fire's burning, making me so hot tonight
and now the table's turning, the music's taking me to
paradise
now the dance floor is out of â€¦summer day back in
â€¦
and now the boys in blue, all they wanna do is shut us
down

[chorus]

so we gotta fight, fight, for our rights
to party till the sun comes up
we gotta fight, fight, for our rights
to party till the sun comes
we won't let them shut us down, down, down
shut us down, down, down
we won't let them shut us down, down, down
we gotta fight for our rights
till the sun comes up

oh man, it's morning
how time flies when you're having fun
and now my bed i calling
but not to sleep, i'ma bring someone
â€¦ up, the after party's getting hot like a summer time
in â€¦
and now the boys in blue, all they wanna do is shut us
down, down, down

[chorus]

so we gotta fight, fight, for our rights
to party till the sun comes up
we gotta fight, fight, for our rights
to party till the sun comes
we won't let them shut us down, down, down
shut us down, down, down
we won't let them shut us down, down, down
we gotta fight for our rights
till the sun comes up
down, down, down,
shut us down, down, down
we won't let them shut us down, down, down
we gotta fight for our rights

till the sun comes up

they say who you think you are
if you leave it up to me well i'm a star
and i can do whatever that i wanna
so i can party, party, until, until 'morrow, 'morrow

[chorus]

so we gotta fight, fight, for our rights
to party till the sun comes up
we gotta fight, fight, for our rights
to party till the sun comes
we won't let them shut us down, down, down
shut us down, down, down
we won't let them shut us down, down, down
we gotta fight for our rights
till the sun comes up.
