She got a nigga where we aint even worryn about
I got my niggas with me just waitin to curr him out
We and this motherfucker so put the word out
That we and all em niggas at you always hear bout
This is just the way IÃfÂçâ, -Â™ ve been feelin lately
I am a rapper but tonight I feel like singing baby
See you gon mess around and have a damn baby
Cause the booty what you got set a man crazy
You cud drop it down if u wanna uh huh
Turn your ass Touch the ground if u wanna uh huh
Live life girl let me put it on ya
Cause wat don kill ya can only make ya stronger

You face looks pretty like your from L.A.
Your body so thick like you come from ???
You move your waist like your from the west indies
Girl you hot all four seasons
My money talks for me I aint gotta say nothing
nananana
My car talk for me I aint gotta say nothing
nananana
uh huh Plus I got enough to go around x3
nananana got enough to go around

Lets have a moment of silence for this money in my
pocket
ok
go hit and drop it
first I was ugly than I cop a band
now she says she loves me fuck me with a friend
??
we da only niggas the ladies hop by
ya aint got money
hater please be gone
I am getting plenty so I am takin it home

You face looks pretty like your from L.A.
Your body so thick like you come from ???
You move your waist like your from the west indies
Girl you hot all four seasons
My money talks for me I aint gotta say nothing
nananana

My car talk for me I aint gotta say nothing
nananana
uh huh Plus I got enough to go around x3
nananana got enough to go around

Shawty such a bad chick Real nigga magnet
And as you can see she got me back on my rap shit
Call ????????? before he fuck around and get his ass
kicked
Then go burst it open while I tell her bring it back shit
500 degrees Hotter than the fever a
Tell the DJ keep it going please a
Security say I don't know him
Motherfucka you don't need me neither
It's poppin where we at
So what I need VIP first
Stack some dick
My swagger white check
White girls poppin X
You already know whats next
Party party party lets all get wasted
????????? Patron girl go ahead and taste it

My money talks for me I gotta say nothing
Na nana nan
My car talk for me I gotta say nothing
nananana
uh huh Plus I got enough to go around x3
nananana got enough to go around
